Dear Manager,

After almost 8 years of production in New Zealand, Renaissance Pictures and Pacific Renaissance Pictures are throwing away the alarm clock and closing the doors ... for the time being at least ... so get those final invoices in ASAP please.

This letter is a thank you to yourself and your company for supporting us during that time - for walking along this road with us - for making hit shows and a journey that we will remember with pride!

We began filming 'Hercules - The Legendary Journey' on 15.11.1993 and complete 'Xena - Warrior Princess' on 30.3.2001. Between the two have been 6 shows and 312 hours of television and a \$NZ spend of 400,000,000 - half of which has been invoiced for between our 1,000+ suppliers such as yourself. We've made a good team!

It has been a pleasure to have formed a good working relationship with your company and our hope is that we will re-establish this relationship if the future offers such an opportunity.

Thank you again!

Kind regards,
